FOR IMMEDIATE RELEASE

Caltrans to close McClure Tunnel overnight for maintenance

Crews will fix/replace lights, repair guardrail and replace signs

SANTA MONICA – The California Department of Transportation (Caltrans) will be closing the McClure Tunnel in Santa Monica overnight Friday to perform electrical and other maintenance work.

The McClure Tunnel connects Pacific Coast Highway (State Route 1) with the Santa Monica Freeway (Interstate 10).

The closure is from 10 p.m. Friday, Nov. 17 to 3 a.m. Saturday, Nov. 18.

During this time, all westbound lanes of Interstate 10 will be closed from the 4th/5th Street exit to the McClure Tunnel. All northbound traffic on State Route 1 will be diverted at the McClure Tunnel.

The eastbound and westbound Interstate 10 4th/5th Street on-ramps and westbound Interstate 10 20th Street on-ramp will also be closed.

Motorists are encouraged to plan ahead and use alternate routes.

For the latest traffic information, including closures, visit Caltrans QuickMap at quickmap.dot.ca.gov. You can also download the QuickMap app for free on any iPhone or Android device.

Motorists are reminded to be “Work Zone Alert” and “Slow for the Cone Zone.”
